*Dear Neil*

I refer to your representations to the Honourable Geoff Wilson MP, Minister for Education and Training, about the delay in commencement of the Lutheran Ormeau Rivers District School, Ormeau under petition 1127-08. As this matter falls within my portfolio responsibilities, your correspondence was forwarded to my office for response. I apologise for the delay.

I can advise that a development application was lodged with the Gold Coast City Council on 24 December 2008. The application was referred to the Department of Infrastructure and Planning on 22 January 2009 for both concurrence and advice agency responses under the draft regulatory provisions of the *Draft South East Queensland Regional Plan 2009-2031*. The Department of Infrastructure and Planning responded on 5 March 2009 and advised that after considering the application against the draft regulatory provisions of the *Draft South East Queensland Regional Plan 2009-2031*, it had no requirements and no objection to application.

The application is currently in the information and referral stage. Gold Coast City Council has requested further information to which the applicant has not yet responded.

I trust this information is of assistance. If you require any further information, please contact Ms Cristie Evenhuis, Principal Planner, Southern Region Division, Planning Group, Department of Infrastructure and Planning, on 3405 3435 who will be pleased to assist.

Yours sincerely

**Stirling Hinchliffe MP**
