Dear Mr Laurie 

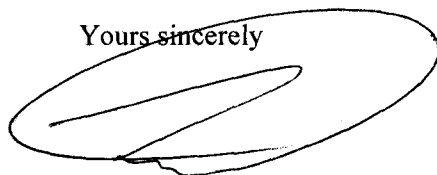

I refer to a petition number 1274-09 lodged with the Legislative Assembly by the Honourable Stirling Hinchliffe MP, Member for Stafford on 4 August 2009 about objection to the restrictive access and egress to homes planned by BrisConnections (builders of Airport Link).

The Department of Transport and Main Roads provides the following advice.

The final design of the portals is essentially complete. The concerns of the petitioners are noted and will be considered. However, it may not be possible or practical to make all or any of the requested changes. I am advised there are some minor changes that are being discussed, which may or may not satisfy the petitioners' wishes considering their various locations.

I trust this information is of assistance.

Yours sincerely

Craig Wallace MP
Minister for Main Roads
