Dear Mr Laurie

I refer to a petition number 1569-10 lodged with the Legislative Assembly by Ms Carryn Sullivan MP, Member for Pumicestone on 24 May 2011 about cycling and pedestrian facilities on the Bribie Island Bridge.

I am advised the Department of Transport and Main Roads is undertaking an options analysis to identify options for improving cycle facilities on the Bribie Island Bridge (including the option of attaching the pathway/cycleway to the existing bridge) and that this analysis is nearing completion.

I am further advised that the department expects to know the outcome of the study within the next two months.

Yours sincerely

Craig Wallace MP
