Dear Mr Laurie *Neil*

I refer to a petition number 1680-11 lodged with the Legislative Assembly by Ms Tracy Davis MP, Member for Aspley on 12 May 2011, about the proposed Parkinson park 'n' ride.

Following initial community feedback on a draft concept design for the proposed Parkinson park 'n' ride, TransLink Transit Authority's project team have undertaken a review of the original 15 site options for the facility. In addition to this, an investigation of seven alternative sites put forward by the community was also undertaken. A total of 22 site options are being investigated.

The project team are currently finalising the outcome of this investigation process and are preparing to distribute information about the project's recommendations to the local community in the near future.

I trust this information is of assistance.

Yours sincerely

Anastacia Palaszczuk MP
