Dear Mr Laurie

Thank you for your letter dated 22 May 2012 regarding petition 1778-11 on daylight saving and the *Standard Time Act 1894*.

The Premier announced in the lead up to the recent State election that if elected, a Liberal National Party Government would not consider the state-wide imposition of daylight saving or any model that splits the State into separate time zones. It is not proposed to reconsider this position.

I trust this information is of assistance to the petitioners.

Yours sincerely

JARROD BLEIJIE MP  
Attorney-General and Minister for Justice
