Mr Neil Laurie
The Clerk of the Parliament
Parliament House
George Street
Brisbane Qld 4000

Dear Mr Laurie

I refer to a petition number 2027-12 lodged with the Legislative Assembly by Mr Michael Latter MP, Member for Waterford on 29 November 2012.

If boom gates are stuck in the down position, the police/ambulance service in conjunction with Queensland Rail's Control Centre, are permitted to cross the crossing. Police can also give directions for vehicles to cross if safe.

Councillor Luke Smith from Logan City Council has advised my Office that the Council will be providing a proposal to improve accessibility for the department's consideration. As of 18 December 2012, this proposal has not been received.

Yours sincerely
