Mr Neil Laurie
The Clerk of the Parliament
Parliament House
George Street
Brisbane Qld 4000

Dear Mr Laurie

I refer to a petition number 2047-13 lodged with the Legislative Assembly by Ms Jackie Trad MP, Member for South Brisbane on 1 May 2013 about car parking spaces at Springfield Central station.

The previous Labor government only designed Springfield Central station with 106 spaces which was clearly inadequate.

The Department of Transport and Main Roads has worked with Ipswich City Council and identified savings that allow an additional 400 spaces to be built.

I am pleased that we have been able to fix the poor planning of the previous government.

Yours sincerely

Scott Emerson MP
Minister for Transport and Main Roads
