The Clerk of the Parliament

Dear Mr Laurie

I refer to my interim response about the Bribie Island Road and Old Toorbul Point intersection and the speed limit along this section of road.

The Department of Transport and Main Roads advises the investigations and review of the speed limit are continuing and are taking longer than expected. It is expected that the investigations and review will be completed by mid-June 2013.

The department will liaise with Mrs France about the intersection and will write direct to the Member once the information is available.

Yours sincerely

Dear Mr Laurie

I refer to a petition number 2069-13 lodged with the Legislative Assembly by Mrs Lisa France MP, Member for Pumicestone on 5 March 2013, about the Bribie Island Road and Old Toorbul Point intersection and the speed limit along this section of road.

I am advised the Department of Transport and Main Roads is investigating the concerns raised about the intersection and will undertake a full review of the speed limit through this area as part of these investigations.

The investigations are expected to be completed by late April 2013. I will write to you again once further information is available.

Yours sincerely

Scott Emerson MP
