Dear Mr Laurie

I refer to a petition number 2102-13 lodged with the Legislative Assembly by Dr Bruce Flegg MP, Member for Moggill on 1 May 2013 about bus services in the Moggill electorate.

The south-east Queensland Bus Network Review is part of the Queensland Government's plan to improve the frequency, reliability and affordability of the public transport system. One of the key drivers for the review is to ensure that we are using our available resources efficiently and to remove duplication. This will allow fares to be kept as low as possible.

The Newman Government recognises the concerns that have been raised by passengers and the Brisbane City Council about proposed changes to Brisbane Transport bus services.

Brisbane City Council has now taken over finalisation of the Brisbane Transport component of the report, and there will be no changes to bus routes in the Brisbane council area without the full support of Brisbane City Council.

For more information on council's proposed network changes, Dr Flegg may wish to visit Brisbane City Council's website www.brisbane.qld.gov.au to see what changes are planned for bus routes in his local area.

Yours sincerely

Scott Emerson MP
Minister for Transport and Main Roads
