Mr Neil Laurie
The Clerk of the Parliament
Parliament House

Brisbane Qld 4000

Dear Mr Laurie

I refer to a petition number 2195-13 lodged with the Legislative Assembly by the Honourable Jeff Seeney MP, Member for Callide, Deputy Premier, Minister for State Development, Infrastructure and Planning on 19 November 2013, about the Mungar to Gladstone rail corridor.

I am working with the Minister Seeney to examine the future freight transport options for the North Burnett region including the Mungar to Gladstone rail corridor.

I will write directly to Minister Seeney and Mr/Ms J Forsyth, the Principal Petitioner once the outcome of the government decision is known.

Yours sincerely

Scott Emerson MP
Minister for Transport and Main Roads
