Dear Mr Laurie *Neil*

I refer to petition numbers 2200-13 and 2219-14 lodged with the Legislative Assembly by the Honourable Andrew Powell MP, Member for Glass House and Minister for Environment and Heritage Protection, about the installation of flashing lights in Landsborough-Maleny Road at Maleny State School.

There is currently no school zone for Maleny State School on Landsborough-Maleny Road due to the Landsborough-Maleny Road having a permanent speed limit of 40km/h through the township of Maleny.

I have asked officers from the Department of Transport and Main Roads to consider the possibility of installing flashing school zone lights on the Landsborough-Maleny Road at Maleny State School.

Accordingly, officers from the Department of Transport and Main Roads will liaise directly with the Member for Glass House and his electoral office to address the road safety issues at Maleny State School.

I wish to commend the Member for Glass House for his representations on behalf of Maleny State School and his commitment to road safety in the Glass House Electorate.

Yours sincerely

Scott Emerson MP
Minister for Transport and Main Roads
