Mr Neil Laurie  
The Clerk of the Parliament  
Parliament House  
George Street  
Brisbane Qld 4000

Dear Mr Laurie

I refer to a petition numbers 2312-14 and 2342-14 lodged with the Legislative Assembly on 25 November 2014 about traffic congestion on Riverway Drive, Thuringowa.

The Department of Transport and Main Roads (TMR) is aware of increasing traffic congestion during peak periods on Riverway Drive. As part of the department's ongoing network planning process, TMR is currently looking at options to duplicate the section of Riverway Drive between Gollogly Lane and Allambie Lane.

TMR currently has funding in its 2014-15 program to review the planning for this duplication. This involves reviewing and updating an existing Business Case from 2010 in order to facilitate delivery of this project at a reduced cost. There is, however, no funding currently in place for construction.

Yours sincerely

Scott Emerson MP  
Minister for Transport and Main Roads
