Mr Neil Laurie  
The Clerk of the Parliament  
Parliament House  
George Street  
BRISBANE QLD 4000

Dear Mr Laurie

I refer to a petition number 2648-16 lodged with the Legislative Assembly by Dr Mark Robinson MP, Member for Cleveland, on 12 October 2016 about the need to upgrade the pedestrian crossing at the intersection of Birkdale Road and Main Road, Wellington Point, for safety reasons.

As per my previous response to Tabled petition numbers 2597-16 and 2634-16, I am advised that to improve safety at the intersection, the Department of Transport and Main Roads reduced the approach speed to the roundabout on Birkdale Road to 40 km/h and Redland Shire Council (RCC) have also reduced the approach speed to the roundabout on Main Street to 40 km/h.

Further to this, my department is negotiating with RCC in developing a wider Local Area Traffic Management scheme and consultation strategy that is considered appropriate for this environment and incorporates a one network approach.

Yours sincerely
