Dear Mr Laurie

Neil,

I refer to petition number 2728-17, lodged with the Legislative Assembly by Mr Jim Madden MP, Member for Ipswich West on 21 March 2017 about expanding the operation of bus route 514 to include Sundays and public holidays.

The Palaszczuk Government is committed to providing an integrated and accessible public transport network for Queensland.

While the provision of additional bus route 514 services would benefit some residents, current demand is insufficient for the Department of Transport and Main Roads (TMR) to justify the investment required for additional services.

I can advise TMR will continue to monitor this demand and consider improvements to public transport in Moores Pocket and Tivoli when services in the area are next reviewed.

I trust this information is of assistance.

Yours sincerely

JACKIE TRAD MP
