Mr Neil Laurie
The Clerk of the Parliament
Parliament House
George Street
BRISBANE QLD 4000

Dear Mr Laurie

I refer to petition numbers 2994-18 lodged with the Legislative Assembly on 1 November 2018 and 3042-18 lodged by Mr Pat Weir MP, Member for Condamine on 13 November 2018 about the condition of Clifton–Leyburn Road.

Clifton–Leyburn Road is a lower-volume, state-controlled road used by approximately 240 vehicles per day along most of its length, particularly the section south from the intersection with Clifton–Pittsworth Road.

I am advised the Department of Transport and Main Roads (TMR) is aware of the condition of Clifton–Leyburn Road and monitors it on a monthly basis to identify maintenance needs and to prioritise opportunities for safety improvements.

In August 2018, surface correction works were completed on sections of Clifton–Leyburn Road to address depressions in the road surface near the Clifton Golf Club.

I am further advised that TMR has no current plans to upgrade the Clifton–Leyburn Road or to reduce the current speed limit. However, TMR will continue to maintain the road to ensure it is in a safe and trafficable condition. As with all upgrades they need to be assessed against all statewide priorities.

I trust this information is of assistance.

Yours sincerely

A handwritten signature in blue ink, appearing to read "Mark Bailey", with a long, sweeping tail.

MARK BAILEY MP
Minister for Transport and Main Roads
