The Clerk of the Parliament

BRISBANE QLD 4000

Dear Mr Laurie

I refer to petition 3487-21, lodged with the Legislative Assembly by Dr Christian Rowan MP, Member for Moggill on 25 May 2021 requesting the Department of Transport and Main Roads (TMR) review and install additional wildlife advisory signage along Mount Crosby Road.

TMR will undertake a review by evaluating existing wildlife advisory signage and assessing wildlife movements in the area.

For TMR to consider installation of additional wildlife signage, there needs to be strong evidence of frequent wildlife movement across the road corridor and/or evidence of wildlife injuries or mortalities due to vehicles on Mount Crosby Road in recent years. Any decision will also take into consideration the location of existing signage along Mount Crosby Road.

TMR will undertake the investigation and determine any suitable actions in coming months.

I trust this information is of assistance.

Yours sincerely
