Mr Neil Laurie
The Clerk of the Parliament
Parliament House
George Street
BRISBANE QLD 4000

Dear Mr Laurie

Neil

I refer to e-Petition 3617-21 tabled in the Legislative Assembly on 1 December 2021 opposing any introduction of daylight saving in Queensland.

The introduction of daylight saving in Queensland is not currently under consideration by the Queensland Government. The Government believes there are other priorities facing Queenslanders that require attention, including delivering initiatives in response to the impacts of the COVID-19 pandemic, as outlined in our Economic Recovery Plan.

I thank the petitioners for bringing their views on this matter to the attention of the House.

Yours sincerely
