Dear Mr Laurie

**Re: Petition No 387.04: Upgrade of the intersections of
Coopers Camp Road/Jubilee Terrace and Simpsons Road/Macgregor Terrace**

I refer to the petition number 387.04 lodged in the Legislative Assembly office on 19 October 2004 by Mr Andrew Fraser MP, Member for Mount Coot-tha, on behalf of Mr Carlos Alperin about upgrading the intersections of Coopers Camp Road/Jubilee Terrace and Simpsons Road/Macgregor Terrace at Bardon.

The Department of Main Roads is doing a planning study to assess traffic at these intersections. The purpose of this study is to identify options to improve operational efficiency. Main Roads did a traffic survey on 1 September 2004 to identify the origins and destinations of vehicles using the intersections. This information will be important for the study and assist in identifying where improvements may be possible.

It is expected the study will be completed in 2005 and the results used to determine the priority and funding for works at these intersections.

I have arranged for an electronic copy of this response to be forwarded to your office.

Yours sincerely

PAUL LUCAS MP
Minister for Transport and Main Roads
