Dear Ms Gartry

The Clerk of the Parliament has forwarded me a copy of the wording of your petition, lodged with the Legislative Assembly of Queensland on 25 May 2006, regarding a development application by Blue Care.

On 27 April 2006 I called in a development application made to the Brisbane City Council by Blue Care on 27 October 2005. The application was called in pursuant to section 3.6.6(1)(b) of the *Integrated Planning Act 1997*. In my opinion the proposed development for a Multi-Unit Dwelling (Aged Care Accommodation and Special Needs Accommodation), Child Care Facility and Medical Centre involves a State interest that affects an economic interest of the State or a region.

I will therefore reassess and redecide the application in order to preserve the State interest. As part of this reassessment I will consider all public submissions to the original application. I am aware of the depth of feeling of local residents in relation to this development.

Yours sincerely
