Mr N J Laurie
The Clerk of the Parliament
Parliament House
Cnr Alice and George Streets
Brisbane Qld 4000

Dear Mr Laurie

I refer to your letter of 23 November 2006 enclosing a copy of Petition No. 692-06, lodged in the Queensland Legislative Assembly.

The Petition requests that this application be refused on the basis that the current extent of paved road in Carrington Street, Paddington is insufficient and further widening of the road will be necessary for vehicular access and general public safety.

The Petition will be taken into account when the Department of Natural Resources and Water has completed its investigations and is in a position to make a decision on the application.

Thank you for bringing this matter to my attention.

Yours sincerely

Signed

Craig Wallace MP
**Minister for Natural Resources and Water
and Minister Assisting the Premier in North Queensland**
