Dear Mr Dougherty

I refer to your e-petition concerning the Service Delivery and Performance Commission Review of Goprint in the Department of Public Works. I have noted the issues and concerns raised in the petition.

As stated in my letter of 5 November 2007, I am aware that the Service Delivery and Performance Commission is currently finalising its review report. Once I have received the report, the Government will consider it together with the issues raised in your petition, before making any decisions in relation to Goprint and printing requirements generally in the Queensland Government.

Again, please note that the Service Delivery and Performance Commission review report will become a public document as it will be tabled in the Legislative Assembly in accordance with section 30 of the *Service Delivery and Performance Commission Act 2005*.

Yours sincerely
